Working Together We Can Make It Happen!

Project Independence

What do we have to offer?

- In response to the needs of the children and families of this area, the Auglaize County Educational Service Center developed PROJECT INDEPENDENCE for high school and Transition age students.
- PROJECT INDEPENDENCE focuses on Social, Vocational and Life Skills.
- The site for PROJECT INDEPENDENCE is located at the Auglaize Educational Service Center in Wapakoneta, Ohio.
- PROJECT INDEPENDENCE is supervised by the Auglaize Co. ESC Autism Coordinator and an on-site Intervention Specialist.

Vocational Training Program

- Information and resources specific to the needs of children with autism spectrum disorders.
- Information and resources related to the educational, social and vocational needs of the student.
- Students work with Job Specialist in Community Job Settings.
- Students are supervised at all times in the community.
- Students are transported by van certified staff members to job sites.

Curriculum

- Extended Standards
- Math
- Language Arts
- Science
- Social Studies
- Daily Living Skills
- Vocational Skills
- Social Skills
